GULBARGA UNIVERSITY KALABURAGI

Draft Regulations governing Undergraduate degree Programme under Choice Based Credit System (CBCS) (Semester Scheme)

(framed under Section 44 (c) of Karnataka State Universities Act, 2000)

1. Preamble

The University Grants Commission (UGC) has initiated several measures to bring equity, efficiency and excellence in the Higher Education System in India. The important measures taken to enhance academic standards and quality in higher education include innovation and improvements in curriculum, teaching-learning process, examination and evaluation systems, besides governance and other matters. The UGC has formulated various regulations and guidelines from time to time to improve the higher education system and maintain minimum standards and quality across the Higher Educational Institutions (HEIs) in the country. The academic reforms recommended by the UGC in the recent past have led to overall improvement in the higher education system. However, due to lot of diversity in the system of higher education, there are multiple approaches followed by universities towards examination, evaluation and grading system. While the HEIs must have the flexibility and freedom in designing the examination and evaluation methods that best fits the curriculum, syllabi and teaching-learning methods, there is a need to devise a sensible system for awarding the grades based on the performance of students. Presently, the performance of the students is reported using the conventional system of marks secured in the examinations or grades or both. The conversion from marks to letter grades and the letter grades used vary widely across the HEIs in the country. This creates difficulty for the academia and the employers to understand and infer the performance of the students graduating from different universities and colleges based on grades.

The grading system is considered to be better than the conventional marks system and hence it has been followed in the top institutions in India and abroad. So, it is desirable to introduce uniform grading system. This will facilitate student mobility across institutions within and

1

across countries and also enable potential employers to assess the performance of students. To bring in the desired uniformity in grading system and method for computing the Cumulative Grade Point Average (CGPA) based on the performance of students in the examinations, the UGC has formulated certain guidelines. Accordingly, Gulbarga University is implementing the Choice Based Credit System (CBCS) at Under Graduate Degree Programme based on the guidelines issued by UGC. CBCS provides an opportunity for the students to choose courses from the prescribed courses including core, elective or skill based courses

2. TITLE

These Regulations shall be called "Regulations governing the Choice Based Credit System for Under Graduate programmes in Science, Social Science, Arts and Commerce 2017".

3. OBJECTIVES OF CBCS

Introduction of Choice Based Credit System has following objectives:

i. To make the curriculum learner centric.
ii. To encourage inter-disciplinary learning without disturbing the domain centric knowledge.
iii. To promote mobility of the students and help in optimizing learning.
iv. To allow autonomy to the teachers with built-in accountability.
v. Continuous evaluation of students to help in optimizing learning.
vi. To introduce transparency in the evaluation system.
vii. To improve employability of the graduates.

4. APPLICABILITY OF CBCS AND GRADING SYSTEM

i. The Regulation herein specified applies to all full-time / regular undergraduate programmes under Choice Based Credit System (Semester Scheme) offered by colleges affiliated to the Gulbarga University and Post Graduate Centers attached to Gulbarga University, Kalaburagi.

2

ii.   The College imparting undergraduate teaching, hereafter, shall be referred to as College.

DISADVANTAGES

i.   Workload of teachers may fluctuate.

ii.   Demand good infrastructure for offering the Under Graduate programme (s).

To eliminate the difficulty in estimating the exact marks, the university has decided to include both marks obtained by the student and the corresponding grade and CGPA in the Grade Card / Marks Card.

5. SCOPE, APPLICATION AND COMMENCEMENT

i.   The regulations shall apply to all non-professional undergraduate programmes including B.A. /B.Sc./ B.COM./B.B.M./ B.C.A./ B.F.A./B.S.W. or any other undergraduate course offered by the Colleges affiliated to Gulbarga University and its Post Graduate Centers from the date of assent of the Chancellor (2018-19 onwards).

ii.   The learning and evaluation is on semester pattern.

iii.   Eligibility, qualifications and admission procedure for each programme of study is as approved by the Academic Council. The university may make changes in the admission procedure, if need arises, with the approval of the Academic Council.

iv.   The existing regulations governing three years Bachelor's degree programme (Semester Scheme) in Faculties of Science, Social Sciences, Arts and Commerce shall stand repealed. However, the existing regulations shall continue to be in force for the students who have been admitted to the course before the enforcement of this regulation.

6. UNDER GRADUATE PROGRAMME

i.   The University is offering several undergraduate courses in the affiliated colleges within the jurisdiction of Gulbarga, Bidar, and Yadgir districts in the Faculty of Science, Faculty of Social Science, Faculty of Arts and Faculty of Commerce for the award of degree of B.A. /B.Sc./ B.COM./B.B.M./ B.C.A./ B.F.A./B.S.W. and other general degree courses. The jurisdiction of the university may change based on the subsequent decisions of the University and Government of Karnataka.

ii.   A participant of the programme is a student who registers himself / herself with the University for a degree programme and attends the same on regular basis.

iii. Undergraduate progamme is a full time programme where the students study as per the time table / schedule. prescribed by the college and are not employed.

7.   ELIGIBILITY FOR ADMISSION

The candidate who has passed the two years' Pre-University examination of Karnataka Pre-University Education Board or two years' job-oriented diploma examination conducted by Director. Vocational Education, Government of Karnataka or any other examination with 45% of marks for general merit and 40% for SC/ST and Cat-1 candidates considered as equivalent thereto shall be eligible for admission to first semester of under graduate Programme.

7.1. Eligibility for Admission to BCA Course: The following candidates shall be eligible for admission to the first semester of the BCA degree Course.

a.   A candidate who has passed the two year Pre-University Examination of Karnataka state or any other examination considered as equivalent there to is eligible for admission to first semester of the BCA Degree Course.

b.   A candidate who has passed two year job-oriented P.U. Diploma Examination conducted by the Directorate of Vocational Education, Govt. of Karnataka, is eligible for admission to first semester of the BCA Degree Course.

4

c. A candidate who has passed three-year Diploma in any branch of Engineering Examination conducted by the Board of Technical Education, Govt. of Karnataka, is eligible for Admission to first semester of the BCA Degree Course.

d. A candidate who seeks admission to second/third/fourth/fifth/sixth semester of BCA degree course of this University on transfer from other Universities in the State shall also be eligible for admission to second/third/fourth/fifth/sixth semester of BCA Degree Course, as the case may be, provided he/she has passed the lower Examinations(s) before seeking admission to higher class(es) and lower Examination(s) passed by him/her is/are recognized as equivalent to that/those of the corresponding Examinations of the BCA Degree Course of this University.

e. A candidate who has passed two year ITI Course in any branch of ITI Examination conducted by the ITI, Govt. of Karnataka, is eligible for admission to first semester of the BCA Degree course.

f. A candidate who has passed two/three years diploma in Pharmacy/Paramedical Examination conducted by the recognized Board of Govt. of Karnataka is eligible for admission to first Semester of the BCA Degree Course.

8. INTAKE

The intake for the course shall be decided by the University / Government of Karnataka from time to time.

9. Definitions of Key Words:

9.1 **Academic Year:** Two consecutive (one odd + one even) semesters constitute one academic year.

9.2 **Academic Calendar:** An Academic Calendar will be prepared by the University to maintain uniformity in the CBCS of under graduate Programmes in colleges affiliated to the University.

9.3 **Semester:** An academic year comprising 180 working days in the least is divided into two semesters, each semester having at least 90 working days. With six working days in a week, this would mean that each semester will have $90/6 = 15$ teaching / working weeks. Considering that each teaching day has 5 teaching / working hours, a teaching week would have $5 \times 6 = 30$ working / teaching hours and each semester will have $30 \times 15 = 450$ teaching hours available for each student.

a) The odd semester (I, III and V Semester) is scheduled from July to December and the even semester (II, IV and VI Semesters) from January to June.

b) Each semester will include – Admission, Course work, Conduct of examination and declaration of result including vacation.

9.4 **Choice Based Credit System (CBCS):** CBCS provides choice for students to select from the prescribed programme.

9.5 **Discipline:** a discipline is a subject, usually referred to as an 'Optional'. A candidate has to select three disciplines of his choice out of the combination of disciplines except BBM and B.Com offered by the college. All the three disciplines carry equal weight. However, if the candidate prefers to study one of the languages as a discipline, he / she can opt for only one language as one of the three disciplines.

9.6 **Programmes:** An undergraduate programme leading to B.A. /B.Sc./ B.COM./B.B.M./ B.C.A./ B.F.A./B.S.W/BVA/B.Music or any other Bachelor's degree.

9.7 **Courses:**
a) A 'Course', usually referred to as 'Paper', is a component of a programme. A Course is a structured set of instructions that are imparted to a student on the basis of a syllabus or a framework approved by different academic bodies (Board of Studies, Faculty, Academic Council) of the University.

6

b) All the courses need not carry the same weight (credit). Each course should define its learning objectives.

c) Each course is designed variously under instructions given as Lectures and Tutorials / Practicals (laboratory and field exercises). Usually, these components are referred to as *L, T, and P* Components. Types of Courses / papers of a Programme are defined in Para 9.7.1 – 9.15.

9.7.1 **Core Course**: A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core Course.

9.7.2 **Elective Course**: Generally, a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline / subject of study or which provides an extended scope or which enables an exposure to some other discipline / subject / domain or nurtures the candidate's proficiency / skill is called an Elective Course.

A) **Discipline Specific Elective (DSE)** Course: Elective courses that may be offered by the main discipline/ subject of study is referred to as Discipline Specific Elective.

B) **Generic Elective (GE)** Course: An elective course chosen generally from an unrelated discipline / subject, with an intention to seek exposure is called a Generic Elective. The candidate can opt for Generic Elective offered in other disciplines in lieu of the Core Course in his / her own discipline during III and IV Semesters of the (BA) Bachelor's degree programme. However, the Generic Elective selected for study should not be from the three disciplines (Optionals) he / she has selected for Bachelor's degree programme.

9.7.3 **Ability Enhancement Course (AEC)**

Ability Enhancement Course (AEC) may be of two kinds: Ability Enhance Compulsory Course (AECC) and Skill Enhancement Course (SEC).

7

A)   **AE Compulsory Course (AECC)** :   AECC courses are the courses based upon the content that leads to knowledge enhancement: (i) Environment Studies, (ii) Indian Constitution, and (iii) English and Modern Indian Languages (MIL) Communication. These courses are mandatory for all disciplines.

B)   **Skill Enhancement Course (SEC):** SEC courses are value-based and / or skill-based and are aimed at providing hands-on-training, competencies, skills etc. so as to increase their employability.

9.8   **Project Work / Dissertation** is considered as a special course involving application of knowledge in solving / analyzing / exploring a real life situation / difficult problem. A Project / Dissertation work would be of 2,3or 6 credits. A Project / Dissertation work may be given in lieu of a discipline specific elective paper/SEC in VI Semester. A Candidate can opt for only one Project, if the College decides to offer it.

9.9   The concerned Board of Studies may change or delete courses / papers in the undergraduate degree programmes during every three years as per the curriculum structure designed by Gulbarga University.

9.10   **Credit:** The term 'Credit' refers to the weight given to each course of study. It is the numerical value assigned to a course according to the relative importance of the content and contact hours required to teach the prescribed syllabi of the programme. Credit means one hour (60 minutes) of Lecture / Tutorial work or two hours (120 minutes) of practical work.   Therefore, Credit (C) = Lecture (L) / Tutorial (T) of one hour duration is considered as one credit. Similarly, one practical (P) of 2 hour duration is one credit. All the courses need not carry same credits.

9.11   **Credit Point (P)**

Credit point is the value obtained by multiplying the grade point (G) by the number of credits for a course (C).

$P = G \times C.$

9.12 Grade Point

Grade point is an integer indicating the numerical equivalent of the letter grade on 10-point scale.

9.13 Grade: Grade means a letter symbol which indicates the broad level of performance of a student in a course / semester / programme. Grades are denoted by letters O, A+, A, B+, B, C, D, F and AB.

9.14 Semester Grade Point Average (SGPA)

Semester Grade Point Average (SGPA) is a measure of performance in a semester. It is the value obtained by dividing the sum of credit points (P) earned by a student in various courses taken in a semester by the total number of credits in that semester. SGPA shall be rounded off to two decimal places.

9.15 Cumulative Grade Point Average (CGPA)

'Cumulative Grade Point Average (CGPA) is the value obtained by dividing the sum of credit points in all the courses by a student for the entire programme, by the total number of credits. CGPA shall be rounded off to two decimal places. CGPA indicates the comprehensive academic performance of a student in a programme. An overall letter grade (Cumulative Grade) for the entire programme shall be awarded to a student depending on his / her CGPA.

9.16 Grade Card

Based on the grades earned, a Grade Card will be issued to all registered students after every semester. The Grade Card will display the course details (code, title, number of credits, and grade earned).

9.17 Details regarding the number of hours of teaching per week, number of credits, duration of examination, distribution of marks for theory / practicum / internal assessment etc. are

9

given in Annexures 1 - 7. Summary of distribution of courses and credits is given in Annexure 3.

10. COURSE OF STUDY

10.1. The course of study shall consist of six semesters extending over a period of three academic years. Each semester shall be of six months duration which includes teaching, field work, examination, evaluation and vacation.

10.2   The candidate has to complete the under graduate programme in a maximum of six years from the date of admission.

10.3. The medium of instruction shall be English or Kannada with exception in the case of Modern Indian Languages.

10.4   The course of study shall consist of a combination of three disciplines of equal importance accept for B.Com and BBM. The distribution of (i) two languages (English as compulsory along with a modern Indian language) in semesters I to IV, (ii) Core papers, (iii) Electives – Discipline Specific Elective (DSE) and / or Generic Elective (GE), and (iv) Ability Enhancement Compulsory course (AECC) and Skill Enhancement Courses (SEC) are given in Annexures 1 – 7.

10.5   The maximum strength of each section shall be restricted to forty for Science sixty students for arts and comers courses.

10.6   For conduct of Practical in batches, there shall be one teacher for a batch of ten students and two teachers if there are more than ten students in a batch.

11. ATTENDANCE, PROGRESS AND CONDUCT

11.1   Each semester shall be taken as a unit for the purpose of calculating attendance.

11.2 A student shall attend the Lectures and Tutorials / Practical as prescribed by the College / University during the Semester.

11.3 A student shall be considered to have completed a semester if he / she has attended not less than 75% of the total number of working / teaching hours during the said semester and his / her conduct and progress have been found to be satisfactory.

11.4 The Vice-Chancellor, however, has the power to condone the shortage of attendance up to 10% of the total number of working / teaching hours in exceptional circumstances on the recommendation of the Principal of the College concerned and on payment of penal fee, as prescribed by the University from time to time.

11.5 The candidate who fails to complete the course in the above stated manner shall not be permitted to appear for the semester examination and he / she shall not become eligible for admission to the next semester. However, he / she can seek re-admission to repeat that Semester in the next academic year. The candidate shall have only one chance in the entire course period for re-admission.

12. SCHEME OF EXAMINATION

12.1 There shall be an examination for both theory and practical courses / papers at the end of each semester.

12.2 Details of the duration of examination, marks allotted and such details are given in Annexures 1 - 7. Practical examination shall be conducted by two examiners, one Internal and one External examiner, and shall never be conducted by both internal examiners. The marks list and answer scripts should be sent to Registrar (Evaluation) by the Principal of the college immediately after the practical examination. The candidate shall submit Practical Record duly-certified by the course teacher to the examiners at the time of practical examination.

12.3 There shall be two Internal Assessment Tests as part of continuous assessment, conducted in the middle and towards the end of each semester. There shall be no practical examination for SEC courses. The students shall submit the practical records at the end of semester for 10 marks and based on the contents of the records, the subject teacher shall allot the marks as internal assessment. In the non-practical courses, the students shall submit assignment for 10 marks as internal assessment (SEC). The Internal assessment answer scripts shall be valued and marks will be awarded by the concerned teachers. Course-wise Consolidated Statement of Marks of both the Internal Assessment tests should be submitted to the Registrar (Evaluation), Gulbarga University in a Sealed Cover by the Principal of the College before the commencement of the theory examination.

Details	C1 (First Internal Assessment Test)	C2 (Second Internal Assessment Test)
Time	One Hour	One Hour
Maximum Marks	10	10
Minimum marks	-	-

12.4 The Internal Assessment marks awarded shall be carried forward in case the candidates fails to appear for the examination and he / she appears for the examination as a Repeater in the subsequent examination.

12.5 In courses / papers where both theory and practical components are there, if the candidate fails to attend either theory or practical examination, he / she will have to reappear for both theory and practical examination for that course / paper as a Repeater in the subsequent examination.

12.6 There shall be a single valuation of answer scripts of Theory examination by an examiner appointed by the University as per the Karnataka State Universities Act 2000. However, there is provision for re-totaling and re-valuation as per the prevailing regulations.

12.7 Preparation of Panel of Examiners, Constitution of Board of Examiners, Evaluation and gracing of marks under semester scheme (CBCS) shall be as per the existing ordinances and rules of the university.

12.8 Examinations to odd semesters (I, III and V Semesters) will be conducted in the month of October / November and to even semesters (II, IV and VI Semesters) during April / May.

12.9 A candidate of fifth (V) Semester shall be allowed to appear for examination of that semester only if he / she has passed all the courses / papers of first (I) semester.

12.10 A candidate of sixth (VI) semester shall be allowed to appear for examination of that semester only when he / she passes all the papers of first (I) and second (II) semesters.

13. DECLARATION OF RESULTS AND CLASSIFICATION OF SUCCESSFUL CANDIDATES

13.1 The result of the candidate who has passed VI semester examination, but not passed the lower semester examinations shall be declared as "Pending". Such candidate shall become eligible for the degree only after completion of all the lower semesters' examinations.

13.2 The candidate who secures minimum of 32 marks in Theory and 20 Marks in Practical examinations and aggregate of 60 Marks including Internal Assessment Marks is declared to have passed that Course (Paper). In case of Courses without Practical Examination, the candidate who secures minimum of 32 marks in Theory and an aggregate of 40 including Internal Assessment marks shall be declared to have passed that Course (Paper).

13.3 The Class, Rank and Grade shall be declared on the basis of aggregate marks obtained by the candidate in all the six semesters' examinations.

13.3 Only the candidate who passes all the six semesters in the first attempt shall be eligible for declaration of Rank. The first TEN ranks shall be notified.

13.4 A candidate who passes the Semester examination in parts is eligible for only Class and not for Ranking or medal.

13.5 The classification of candidates shall be as follows:

Grade letter and equivalent numerical value are given in the following table:

Grade	Grade Point	Performance	Equivalent Marks (in Percent)
O	10	Outstanding	More than 70
A+	9	Excellent	66-70
A	8	Very Good	61-65
B+	7	Good	56-60
B	6	Above Average	51-55
C	5	Average	46-50
D	4	Pass	40-45
F	0	Fail	Below 40
AB	0	Absent	

The candidate has to secure Grade – D or above to pass in each course / paper.

14. CLAIM OF EXEMPTION

14.1 Same as in Para 13.2.

14.2 The candidate who satisfy condition given in Para 13.2 is exempted from reappearing for examination for that Course (Paper).

15. IMPROVEMENT OF PERFORMANCE AND REAPPEARANCE

14

15.1 The candidate who has passed the undergraduate degree examination under semester scheme conducted by this university shall only be allowed to improve his / her performance by reappearing at the subsequent chances either for I / III / V or II / IV / VI semesters or for all the semesters simultaneously, in all the theory papers and except internal assessment prescribed thereof without keeping fresh terms, while retaining their performance at the examination /s. if any, of the remaining semesters within a maximum period of six years from the date of admission to the Bachelor's Programme.

15.2 The previous performances for which the candidate seeks improvement shall be deemed to have been surrendered when once such a candidate improves his / her performance except internal assessment. In the event of non-improvement of performance, the marks secured in the Previous performance prevails.

15.3 The class shall be determined on the basis of his / her improved performance. However, it shall not be considered for the declaration of rank /s.

15.4 The candidate seeking improvement shall be given only five additional chances within a period of three succeeding years after the successful completion of the entire course. Further, once a candidate obtains an improved class that shall be treated as final.

15.5 When the syllabus changes, a candidate reappearing either for the improvement or as a repeater shall be allowed to take examination / s as per the current syllabi.

15.6 There is no improvement for Internal Assessment/Practical / Field Work / Project report.

16. REMOVAL OF DIFFICULTY

16. In case of any difficulty in the interpretation or giving effect to the provisions of these regulations, the Vice Chancellor may interpret and take such decisions that he/she deems fit and his/her decision shall be final.

15

17. REPEAL AND SAVINGS

17.1. Notwithstanding anything contained in these regulations, the provisions of any order or regulations in force shall be inapplicable to the extent of their inconsistency with these regulations.

17.2. The University shall issue orders, instructions etc. and prescribe such format, procedure, etc. as it may deem fit to implement the provisions of these regulations. The said regulations are subjected to suitable amendments as per the provisions of Karnataka State University Act and UGC Regulations. The amendments are enforced from the date of the assent of the Chancellor.

17.3. Any order/rule/circular/any communication issued as per the said provisions of the Regulations if are inconstant as per the KSU Act 2000 and any decision of IUB or KSCHE or Department of Higher Education, shall be treated as null and void forth with.

17.4. If any difficulty arises in the implementation of these regulations, the Vice Chancellor shall, in consultation with the Deans and Syndicate, be competent to issue necessary clarification. And he/she shall, at the earliest possible opportunity thereafter, report the action taken by him/her to the Syndicate, academic Council for ratification and inform the state Government at the earliest.

MINIMUM COURSE CURRICULUM FOR UNDERGRADUATE COURSES UNDER CHOICE BASED CREDIT SYSTEM

MINIMUM COURSE CURRICULUM FOR UNDERGRADUATE COURSES UNDER CHOICE BASED CREDIT SYSTEM

Background/Preamble:

Ministry of Human Resource Development (HRD), Govt. of India, has already initiated the process for developing New Education Policy (NEP) in our country to bring out reforms in Indian education system. University Grants Commission (UGC) participates more actively in developing National Education Policy, its execution and promotion of higher education in our country. The UGC has already initiated several steps to bring equity, efficiency and academic excellence in National Higher Education System. The important ones include innovation and improvement in course- curricula, introduction of paradigm shift in learning and teaching pedagogy, examination and education system.

The education plays enormously significant role in building of a nation. There are quite a large number of educational institutions, engaged in imparting education in our country. Majority of them have entered recently into semester system to match with international educational pattern. However, our present education system produces young minds lacking knowledge, confidence, values and skills. It could be because of complete lack of relationship between education, employment and skill development in conventional education system. The present alarming situation necessitates transformation and/or redesigning of education system, not only by introducing innovations but developing "learner-centric approach in the entire education delivery mechanism and globally followed evaluation system as well.

Majority of Indian higher education institutions have been following marks or percentage based evaluation system, which obstructs the flexibility for the students to study the subjects/courses of their choice and their mobility to different institutions. There is need to allow the flexibility in education system, so that students depending upon their interests and aims can choose inter-disciplinary, intra-disciplinary and skill-based courses. This can only be possible when choice based credit system (CBCS), an internationally acknowledged system, is adopted. The choice based credit system not only offers opportunities and avenues to learn core subjects but also exploring additional avenues of learning beyond the core subjects for holistic development of an individual. The CBCS will undoubtedly facilitate us bench mark our courses with best international academic practices. The CBCS has more advantages than disadvantages.

Advantages of the choice based credit system:

- Shift in focus from the teacher-centric to student-centric education.
- Student may undertake as many credits as they can cope with (without repeating all courses in a given semester if they fail in one/more courses).
- CBCS allows students to choose inter-disciplinary, intra-disciplinary courses, skill oriented papers (even from other disciplines according to their learning needs, interests and aptitude) and more flexibility for students).

- CBCS makes education broad-based and at par with global standards. One can take credits by combining unique combinations. For example, Physics with Economics, Microbiology with Chemistry or Environment Science etc.
- CBCS offers flexibility for students to study at different times and at different institutions to complete one course (ease mobility of students). Credits earned at one institution can be transferred.

Disadvantages:

- Difficult to estimate the exact marks
- Workload of teachers may fluctuate
- Demand good infrastructure for dissemination of education

CHOICE BASED CREDIT SYSTEM (CBCS):

The CBCS provides an opportunity for the students to choose courses from the prescribed courses comprising core, elective/minor or skill based courses. The courses can be evaluated following the grading system, which is considered to be better than the conventional marks system. Therefore, it is necessary to introduce uniform grading system in the entire higher education in India. This will benefit the students to move across institutions within India to begin with and across countries. The uniform grading system will also enable potential employers in assessing the performance of the candidates. In order to bring uniformity in evaluation system and computation of the Cumulative Grade Point Average (CGPA) based on student's performance in examinations, the UGC has formulated the guidelines to be followed.

Tentative list of Undergraduate Disciplines/Courses to be covered under CBCS developing common minimum structure and syllabi:

BACHELOR COURSES UNDER CBCS IN INDIA

S.NO.	UNDERGRADUATE COURSES	
1	Arts and Humanities	1. Hindi 2. Sanskrit 3. Modern Indian Language-Punjabi 4. English 5. Sociology 6. Public Administration 7. Defense and Strategic studies 8. History 9. Geography 10. Economics 11. History and Tourism 12. Philosophy 13. Political Science 14. Music 15. Journalism 16. Psychology 17. Mathematics 18. Home Science 19. Education
2	Commerce and Management	20. Business Economics 21. Commerce 22. Banking and Insurance 23. Accounting and Finance 24. Financial Markets 25. Company and Compensation law 26. Business Administration 27. Labor Management 28. Tourism and Travel management
3	Science	29. B.Sc. Medical/Life Sciences 30. Chemistry 31. Physics 32. Botany 33. Zoology 34. Biotechnology

		35. Microbiology
		36. Biochemistry
		37. Computer Science
		38. Environmental Science
		39. Food Technology
		40. Electronic Science
		41. Information Technology
		42. Forensic Science
		43. Biomedical Science
		44. Physical Science
		45. Operational Research
		46. Statistics
		47. Anthropology
5	Others	48. LLB
		49. BCA
		50. B. Lib
		51. B.Ed
		52. B.El.Ed
		53. Multimedia and Communication
		54. Fine Arts
		55. Performing Arts
		56. Physical Education and Health
		57. Foreign Languages

Outline of Choice Based Credit System:

1. **Core Course:** A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.

2. **Elective Course:** Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

   2.1 **Discipline Specific Elective (DSE) Course:** Elective courses may be offered by the main discipline/subject of study is referred to as Discipline Specific Elective. The University/Institute may also offer discipline related Elective courses of interdisciplinary nature (to be offered by main discipline/subject of study).

   2.2 **Dissertation/Project:** An elective course designed to acquire special/advanced knowledge, such as supplement study/support study to a project work, and a candidate studies such a course on his own with an advisory support by a teacher/faculty member is called dissertation/project.

   2.3 **Generic Elective (GE) Course:** An elective course chosen generally from an unrelated discipline/subject, with an intention to seek exposure is called a Generic Elective.

   P.S.: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

3. **Ability Enhancement Courses (AEC):** The Ability Enhancement (AE) Courses may be of two kinds: Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC). "AECC" courses are the courses based upon the content that leads to Knowledge enhancement; i. Environmental Science and ii. English/MIL Communication. These are mandatory for all disciplines. SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.

   3.1 Ability Enhancement Compulsory Courses (AECC): Environmental Science, English Communication/MIL Communication.

   3.2 Skill Enhancement Courses (SEC): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge.

* **Introducing Research Component in Under-Graduate Courses**

Project work/Dissertation is considered as a special course involving application of knowledge in solving / analyzing /exploring a real life situation / difficult problem. A Project/Dissertation work would be of 6 credits. A Project/Dissertation work may be given in lieu of a discipline specific elective paper.

Implementation:

1. The CBCS may be implemented in Central/State Universities subject to the condition that all the stakeholders agree to common minimum syllabi of the core papers and at least follow common minimum curriculum as fixed by the UGC. The allowed deviation from the syllabi being 20 % at the maximum.

2. The universities may be allowed to finally design their own syllabi for the core and elective papers subject to point no. 1. UGC may prepare a list of elective papers but the universities may further add to the list of elective papers they want to offer as per the facilities available.

3. Number of Core papers for all Universities has to be same for both UG Honors as well as UG Program.

4. Credit score earned by a student for any elective paper has to be included in the student's overall score tally irrespective of whether the paper is offered by the parent university (degree awarding university/institute) or not.

5. For the introduction of AE Courses, they may be divided into two categories:
   a) AE Compulsory Courses: The universities participating in CBCS system may have common curriculum for these papers. There may be one paper each in the 1st two semesters viz. (i) English/MIL Communication, (ii) Environmental Science.
   b) Skill Enhancement Courses: The universities may decide the papers they may want to offer from a common pool of papers decided by UGC or the universities may choose such papers themselves in addition to the list suggested by UGC. The universities may offer one paper per semester for these courses.

6. The university/Institute may plan the number of seats per elective paper as per the facility and infrastructure available.

7. An undergraduate degree with Honours in a discipline may be awarded if a student completes 14 core papers in that discipline, 2 Ability Enhancement Compulsory Courses (AECC), minimum 2 Skill Enhancement Courses (SEC) and 4 papers each from a list of Discipline Specific Elective and Generic Elective papers respectively.

8. An undergraduate Program degree in Science disciplines may be awarded if a student completes 4 core papers each in three disciplines of choice, 2 Ability Enhancement Compulsory Courses (AECC), minimum 4 Skill Enhancement Courses (SEC) and 2 papers each from a list of Discipline Specific Elective papers based on three disciplines of choice selected above, respectively.

9. An Undergraduate program degree in Humanities/ Social Sciences/ Commerce may be awarded if a student completes 4 core papers each in two disciplines of choice, 2 core papers each in English and MIL respectively, 2 Ability Enhancement Compulsory Courses (AECC), minimum 4 Skill Enhancement Courses (SEC), 2 papers each from a list of Discipline Specific Elective papers based on the two disciplines of choice selected above, respectively, and two papers from the list of Generic Electives papers.

10. The credit(s) for each theory paper/practical/tutorial/project/dissertation will be as per the details given in A, B, C, D for B.Sc. Honours, B.A./B.Com. Honours, B.Sc. Program and B.A./B.Com. Program, respectively.

11. Wherever a University requires that an applicant for a particular M.A./M.Sc. /Technical/Professional course should have studied a specific discipline at the undergraduate level, it is suggested that obtaining 24 credits in the concerned discipline at the undergraduate level may be deemed sufficient to satisfy such a requirement for admission to the M.A./M.Sc./Technical/Professional course.
